Your Fire Department wants to hear from YOU!

Join us April 21, 2023 from 7:00-8:30 pm at
The Prospect Community Center

Attendees at our last public meeting expressed a desire for the Prospect Rural Fire Protection District to pursue a community-wide tax levy to support District operations.

As a tax levy would impact and benefit the entire community of Prospect, your involvement in this process is crucial to ensure we are meeting your expectations of fire and medical response, community education and emergency prevention programs.

We'd like your feedback to better assess community needs, discuss current service levels and limitations, and outline potential capabilities surrounding proposed tax levy options. Please join us with questions, comments, and suggestions! Additional options to provide input are:

We hope to see you there!

This session will be recorded and posted online for those unable to attend.
